

Level 4 Certificate in INFORMATION TECHNOLOGY

STUDY MODE

Full Time / Part Time

DURATION

6 Months

TUITION FEES (GBP)

2,500

This Fee excludes both the
Examination and Registration fees

ENTRY REQUIREMENTS

A GCE Advanced level profile with
achievement in 2 or more subjects, 5
or more GCSEs at grades C and above
or Grade 4 and above

AWARDING INSTITUTION

British Computer Society (UK)

APPLICATION & PAYMENT

Complete and submit the attached
application form along with:

- Scans of academic transcripts and certificates
- Scan of passport or driving licence
- Once your application is processed and you are offered a seat on the programme, a deposit of GBP 100 must be paid to secure your seat.

You may send us a scanned or electronically filled copy of your application (along with relevant documents) and the application fee may be settled via bank transfer.

For payments by credit card, email us at:

registry@rushmorebusinessschool.co.uk

so that we can send you a link to proceed with the payment.

The BCS Level 4 Certificate is designed to provide students with a programme of study relevant to the commencement and development of a career in IT. It is the academic equivalent of the first year of a British University honours degree.

Learning Outcomes

Upon successful completion of the course, graduates will be able to:

- Understand how organisations use business information.
- Understand the issues related to the use of information.
- Know the features and functions of information systems.
- Be able to use IT tools to produce management information.
- Perform end user support including identifying and implementing solutions to user requests.
- Analyse technical requirements to determine resource requirements and the impact the solution will have on an organization.
- Install technical hardware and software including network, database and security components.
- Identify and resolve technical problems using troubleshooting and research techniques.

Course Structure

- Information Systems
- Software Development
- Computer and Network Technology

On completion of this qualification, learners are eligible to join the first year of a degree programme in Information Technology or Computing.
