British Computer Society (UK)

APPLICATION & PAYMENT

Complete and submit the attached application form along with:

- Scans of academic transcripts and certificates
- Scan of passport or driving licence
- Once your application is processed and you are offered a seat on the programme, a deposit of GBP 100 must be paid to secure your seat.

You may send us a scanned or electronically filled copy of your application (along with relevant documents) and the application fee may be settled via bank transfer.

For payments by credit card, email us at: **registry@rushmorebusinessschool.co.uk**

so that we can send you a link to proceed with the payment.

The BCS Level 5 Diploma is designed to provide students with a programme of study relevant to the commencement and development of a career in IT. It is the academic equivalent of a second year British University honours degree.

The Diploma in IT is for students who understand the fundamental principles in IT and are ready to start developing specialist skills.

Course Structure

The BCS Level 5 Diploma in IT consists of 1 core module, 3 elective modules and 1 IT project.

Core Module:
- Professional issues in IS Practice

Proposed Elective Modules:
- Computer Networks
- System Analysis and Design
- IT Project Management

Professional Project in IT

If you will not proceed to the Professional Graduate Diploma in IT, you will need to complete a professional IT project to finish your Diploma in IT. A minimum of 200 study hours is recommended for the project.
